Dublin Scioto High School  
4000 Hard Road  
Dublin OH 43016

Over the last 16 years the Scioto Irish boys basketball program has established a tradition of excellence under the leadership of Tony Bisutti. At the varsity level, the program has earned six Ohio Capital Conference championships, 11 sectional championships, three Central District Division I runner-up finishes, two district championships, one Elite Eight appearance and 241 wins.

Players and coaches at all levels are working hard so that the participating 2011-12 Irish student athletes will continue the tradition of success on the basketball court and in the classroom.

## Parent Expectations

Parents and supporters play an important role in the program's success in many ways. Parent expectations for the 2011-12 season include:

- Support players in upholding the academic, student and athletic codes of conduct
- Show positive support for all players and coaches at all program levels at all times
- Exhibit good sportsmanship at games as representatives of our team, program, school and community
- Participate in booster activities that generate the resources necessary to meet the program's goals this season and leave in place the platform needed for future classes to maintain the tradition of excellence
